CEO's Message

Dear Client,

Welcome to our organization. Our core belief is that we must keep the promises we make to our customers by being open, trustworthy, providing good value for money, paying attention to detail, and delivering on time.

Al Zayed Shades & Tents Industry believes in long-term business relationships with our customers. Our relationships are based on trust and integrity, and we strive to provide the best services and deliver excellence.

I am proud of the hardworking and ambitious professionals at Al Zayed Shades & Tents Industry and I would like to thank you, for your confidence in us. I would like to assure you that we will continue to provide the highest quality solutions and to go above and beyond in order to meet your needs.

As CEO and Director, I personally believe that these standards have contributed to our global growth and success.

Kind Regards,

Muhammad Afsar
CEO

About Us

Al Zayed Shades & Tents Industries LLC was founded with the goal of providing unrivaled quality in fabric and tensile structures. Founded in Pakistan in 1984, we began by manufacturing Arabic and military tent cloths and have continued to evolve to the present day. We believe that we are the best suppliers of tents and tensile structures worldwide. We manufacture and supply a variety of tents, including wedding tents, majlis tents, sporting event tents, business and conference tents, exhibition tents, and related products. We are not only focusing on tensile structures, relief tents, army tents but also fulfilling the demand of clear span tents. Our products have been exported to over 50 countries throughout the Middle East, Asia, Africa, and European regions.

**OUR LOVE FOR MANUFACTURING
AND OUR CUSTOMERS DRIVES
WHAT WE DO, WHO WE ARE,
AND HOW WE DO IT...
EVERY DAY.**

What We Do?

We believe that we are the best tent suppliers and leading luxury tent manufacturers across the globe. All the tents that we serve are of high quality and free from damages. Our tents undergo various quality checks and so our products are known to provide assured long-tenure that requires less maintenance. We do provide maintenance and repair service. Own a tent that is totally damaged? Do not worry! Just give a ring, our team of experts will reach your doorstep and repair your tents and bring them back to normal working condition on time and at the best price.

How Do We Do It?

Our team of committed 3D/2D designers along with assigned event coordinators for each project creates a structural design for your customized tent requirements to present your vision and do the necessary revisions as per your project demands. A Project Coordinator will take care of all the necessary prerequisites through frequent visits to project sites to make sure everything goes to plan. If you have any queries or concerns during the installation of tents and temporary structures, the project coordinator will always be there to help you.

Vision

We mean to be a leading manufacturer and supplier of high-quality clearspan tents with a strong emphasis on safety, durability, teamwork, and continuous improvement using cutting-edge technology to excite our customers worldwide.

Mission

We aim to provide various tents that meet the requirements of various industries. All of the tent varieties and models that we offer to ensure the best fabrics, easy installation, long-life, attractive appeal, and customization based on the client's interests and preferences.

Value

Al Zayed Shades is a full-service construction company that provides customers with preconstruction services, product education, fabric structure manufacturing, installation, and long-term customer service. Our expanding work line is distinguished by its high level of quality. We consistently deliver high-quality finished products on time, making us a force to be reckoned with in the Tents & Shades industry.

Our Unique Selling Proposition

COMMUNICATION

We place a high emphasis on training our sales and marketing team to respond to our clients with proposals, technical details, production progress updates, and delivery information within one business day because we know that our customer's time is valuable.

LONG TENURE

Our story began in 1989, and we have stayed true to our core competency of composites manufacturing for over 36 years. Today, our production team still consists of engineers and technicians that have been part of the team since inception which means that we are the experts with a lifetime's wealth of knowledge of manufacturing composite products.

PRODUCT RANGE

In the Middle East, we have developed and installed innovative membrane structures for a wide range of project sizes, scope and complexity. RTA Dubai, Union Co-operative, Muhaissah Marina, Yas Island, Abu Dhabi, and many more are among our major projects. Al Zayed Shades & Tents ensures the design, development, and delivery of the most innovative tensioned membrane products in the world, which represent quality, progress, imagination, and leadership.

GLOBAL SUPPLY

Our products have been exported to more than 50 countries in the Middle East, Asia, Africa, and Europe. We are not only concentrating on Tensile Structures, Relief Tents, and Army Tents, but we are also meeting the demand for clear span tents..

EXPERIENCED PROFESSIONALS

Certified engineers and go through an in-house training program and continuing education via external training centers in their respective employment. In all of this, the most important element in the recruitment process is their "character". Our people are required to be cooperative, multitasking, efficient, friendly and be able to work in teams.

GLOBALLY CERTIFIED

As part of our Integrated Management System, we are certified and adhere to ISO 9001, ISO 14001, and ISO 45001 standards. Our products have been tested and certified to international standards.

GROWING INFRASTRUCTURE

Industries has been collaborating and is the registered approved vendor with the power, water, sewerage, oil & gas and solar utility authorities in the Gulf region. Thus, our clients don't incur any issues in achieving approvals with our products.

APPROVED VENDOR

The company's growing framework consists of three manufacturing facilities and corporate offices across the world, employing over 200 people. Also, there is a distribution network with local distributors in the MENA and Asia Pacific regions with local distributors.

Manufacturing

PLANT CAPACITY

1 Manufacturing facilities

150 People workforce

75,000 Annual product throughput

150,000 Sq.ft. Plant Area

We do everything in-house. That means we control the quality process right from the design stage to packaging the final product; that includes our accessories which go into every one of them. The result is a solution that is truly GRP Industries.

Al Zayed's in house structural engineering team in UAE designs, manufactures and installs temporary field hospitals, covid19 screening tents and medical clinic tents because they want to assist and support the healthcare industry in the UAE & all around the world.

Medical PCR Drive Through Tents

TENT MANUFACTURER AND SUPPLIER

Al Zayed temporary field hospitals introduced to expand and admit an additional number of patients and minimize the overflow of patients in conventional hospitals during the time of emergency and pandemic outbreak.

Established and well-equipped field hospitals are an important part of maintaining the continuity of treatment of patients. These mobile field hospitals consist of intensive care units and general wards and have their own logistics section consisting of kitchens, toilets and showers rooms, generators, and sewage and disposal facilities.

Al Zayed's in house structural engineering team in UAE designs, manufactures & installs temporary field hospitals, covid19 screening tents and medical clinic tents because they want to assist and support the healthcare industry in the UAE. Hundreds of patients can be facilitated inside these screening and medical tents. Hundreds of bed facilities can be provided in temporary field hospitals

Products

Polygon Tents

We have multiple diameters that can reach up to 50-60 meters depending on the client's requirements. This polygon-shaped tent has a lot of space. These tents can be used for weddings, product launches, exhibitions, business conferences, festivals, and corporate events, among other things.

A Frame Tents

The A-Frame tents structure has an innovative shape and is available in a variety of widths with a full white PVC or clear PVC roof. The maximum length can be extended indefinitely, regardless of where you want to set up the tent; thanks to its sturdy structure and design, this tent can be assembled on any terrain. Al Zayed Tents offers complete tent solutions, including interior setup.

Arcum Tents

Al Zayed's Arcum Tents can accommodate any type of event, whether it is a party, wedding, conference, get-together, promotional event, fair, exhibition, or festival. It is a popular tent among event organizers due to its beautiful design and modern appearance. It can be customized in a variety of ways, and its width can reach up to 50 meters.

Dome Tents

Al Zayed's sophisticated dome tents come in a variety of sizes, making them ideal for use as entrance structures, reception areas, retail units, or even hospitality villages for a wide range of events. If it is assembled as a single unit or in a group, it is simple to create a variety of formations available at extremely low prices without sacrificing quality.

High Peak Frame Tents

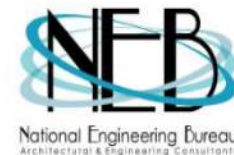

High peak-shaped tents are commonly used as event entrance tents, pop-up tents, and small-scale events, among other things. The high peak tent is easy to erect and takes up little space.

Double Decker Tents

The Double Decker Tents are a multipurpose aluminum structure that is ideal for the event and exhibition industries. Ideal for increasing capacity. The upper level also provides a clear view of the event.
